

September 2022

Hi \$[FNAME|Customer|Guest]\$,

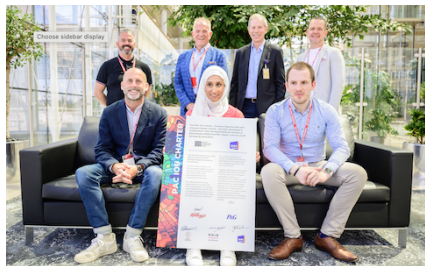

CALL FOR ENTRIES – PAC Global Awards Competition is now open!

Submit your entries in this competition that celebrates the craft of package brand design and innovation. For information on deadline dates, judges, categories, past winners, and entry costs- see [HERE](#)

Check Out PAC MART & Portal

PAC Global has launched an exclusive packaging marketplace designed to offer members a curated, secure digital shopping mall experience with a wide range of educational, buying, and selling opportunities. Contact [Lisa Abraham](#) for Portal access.

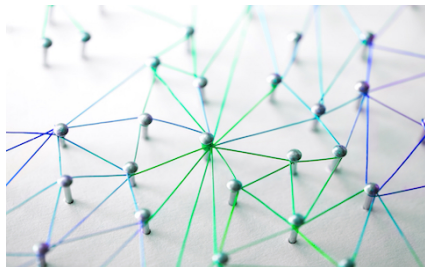

Join the PAC IOU Movement

On June 14th, PAC Global alongside Kellogg's, Procter & Gamble, Maple Leaf Foods and others, became PAC IOU Charter signatories, with the mission to unite and galvanize packaging design by everyone for everyone. Sign today at www.pac.global/charter. Available exclusively to PAC Global members.

Join a PAC Global Leadership Council

PAC Global is looking for members to join regional Leadership Councils. Council Members are representatives from the packaging value chain, and connect regularly to discuss industry trends and curate activities for industry members, on behalf of PAC Global. For more information, contact [Lindsey Cooper](#)

Looking to showcase your facility?

PAC Global is looking to welcome members back to in-person tours and networking events. If you would like to showcase your facility and welcome industry members, reach out to [Lindsey Cooper](#)

Get to know our summer PAC Global MVP Partner!

IFS PACsecure is a product and process standard that assesses the safety and quality of packaging materials and their compliance with regulation and customer requirements.

Welcome New PAC Members

IFS PACsecure

The IFS Global Markets PACsecure Program helps companies get started on the path to certification. If your packaging company has limited resources, this is the solution for you! [Learn more.](#)

Are you working towards your first IFS PACsecure certification or are already certified and wish to expand your knowledge? Join us on Sept. 27th at 12:00 pm EDT for a 30-minute Tech Talk on Environmental Monitoring. [Register here.](#)

Recognized IFS Consultants can help you get IFS certified. Find a list of our partner consultants [here](#). For more information about IFS PACsecure, visit ifs-packaging.com.

PAC Global Events & Education Calendar

September 13, 2022

PAC Global Central Region Golf Tournament

Secure your spot and join PAC Global and fellow industry members at this fun filled day of networking at Nobleton Lakes Golf Course. [Learn More](#)

October 5 & December 1, 2022

Golden Design Rules Essentials I Virtual Course

Brought to you in partnership with the Canada Plastics Pact. In this course, we will introduce the nine golden design rules developed by the Consumer Goods Forum, and unpack how these rules may affect your company and packaging. [Learn More](#)

September 20-21, 2022

Conference on Canadian Stewardship

This Conference, managed by PAC Global, will focus on how EPR is leading to a circular economy. Don't miss your chance to hear from government and industry on policy, strategy and regulation; to debate the ways in which different jurisdictions and producer responsibility organizations are aiming to create circular economies, and to learn how businesses — individually and collectively — are embracing circularity in Canada and around the world. For more see [Here](#).

Sustainable Packages: Glass, Metal, Paper Course (Virtual)

October 18, 19, 20, 2022

Learn about various materials and structural considerations, as well as evaluate the strength of packaging materials. Also explore
